

Overview of the Project

**“Towards a Sub-degree General
Education Framework –
Facilitating Credit Recognition
and Transfer”**

Dr Simon Leung

Background

- ✚ 2011 > EDB Quality Enhancement Grant Scheme (QEGS)
- ✚ looked into different **GE frameworks** across institutions
- ✚ enhancement in GE course development and delivery in **sub-degree sector**; effective communication with UGC-funded institutions
- ✚ GE course **exemption and recognition** > experience sharing among GE practitioners in the sub-degree sector
- ✚ ***General Education Guidebook***

Objectives of New Project

- 
 further enhance the **quality of GE courses** in the sub-degree sector
- 
 continue **effective communication** between the sub-degree and degree sectors
- 
 goal of achieving smoother **credit recognition and transfer**

Major Tasks Scheduled

- ✚ examine the **GE transfer practices** of local degree and sub-degree institutions
- ✚ conduct **comparative studies** of prevailing practices in GE exemption, transfer and implementation
- ✚ conceptualise a few widely accepted **GE frameworks** for local sub-degree sector

Major Tasks Scheduled

- 
 conduct **surveys** on the transfer experiences of local sub-degree students / graduates regarding **GE training** and its effectiveness
- 
 conduct **in-depth interviews** with Academic Registry / GE Offices of universities and sub-degree institutions
- 
 organise conferences, seminars and forums for **sharing and exchange** among GE practitioners

Thank you
